To whom it may concern,

I spoke with my accountant today and he asked me if I had returned my 2001 Uniform Business report. I explained to him that I don't remember receiving the form; I'm typically very anal about sending back any and all proper forms. I called the division of corporations this morning to verify and was told that because I had not returned the form my new fees have reached \$750.00...I_____ can honestly say that I don't recall ever receiving any of the forms. My business is young and cannot afford to pay the \$750.00 fee.

Please, I Implore you, if it's at all possible to waive the additional fees, the courtesy would be greatly appreciated Again, I assure you that if I had received the form that I would have returned it immediately. I have enclosed a check for \$150.00 for the original fees. Please call with any questions or comments -1.561.279.2231
