To whom it may concern,

I have 5 Corporations in the state of Florida, one of them was a corporation in Alabama, I transferred the corporation in ²⁹ December 1999 ~~on January 2000~~,

I received all of my annual Corporation reports and filed them in a timely matter, for some reason, I never received the annual Corp. report for this Corporation. I had thought that maybe, I ^{did} ~~was~~ not ~~some~~ need to file because I had just transferred this corporation, and that was why I had not received the report.

However I received this in the mail. I also moved in June 2000, maybe this might be the reason, I never received my annual report.

I called the telephone # on the form I received. They told me to write a statement about what had happened and to send the normal fee of \$150.⁰⁰
