Our corporation did not receive the First Notice of the **2000 Uniform Business Report**. We did, however, receive the 2nd notice of the **2000 Uniform Business Report**, but having not received the first, I neglected to notice that it was the 2nd. Had I noticed this I would have contacted you immediately. When I went to write the check and realized what had happened, we immediately called. We were told by Gary in your office to send a letter of explanation with our check and report.

I hope you will consider our past records of timely payments when making your decision as to accepting our explanation of this situation. Thank you for your attention to this matter.
