Dear Mr. Carr:

According to our records you were the registered agent for Echo Productions, Inc., which was voluntarily dissolved on Sept. 8, 1997. The problem is Mr. Horst Deuter sent us a check written on a German bank, and although it was written for US funds the bank has rejected the check stating that their fee and the foreign bank's fee would exceed the check value.

What I need is for you is to contact Mr. Deuter and request that he send the Dept. of State a money order or a check written on a US bank. I will return his check to which ever address he requests. Attached please find a copy of his check and the notice from the bank. If I can be a any further assistance in clearing this matter up please feel free to call me at 850-487-6979. Thank you so much for you assistance.

Sincerely,

Dear Mr. Deuter:

In September you submitted a check to us for the dissolution of Echo Productions. The check was written on a foreign bank. Normally with US funds noted, it is not a problem. But the bank has returned it stating that the fees for processing would exceed the value of the check.

Would you please send a US money order in the amount of \$35.00 for the dissolution filing. Mark the envelope Personal and Confidential that will insure no delays for it reaches here. I will then return your check to you. I have attached a copy of the check and bank notice. Also attached is the letter where I tried to get in touch with Mr. Carr.

Should you have any questions please feel free to call me 850-487-6979.

I apologize for the inconvenience this has caused you.

Sincerely,
