Restaurant Adventures Inc.

Maitland, FL 32751

**Statement of Fact:**

On the morning of 4/19/19 at 7:59am I received an email from the Florida Division of Corporations advising me "of a recent change or filing on the Florida Department of State, Division of Corporations' records." It stated "If you or another authorized person did not make the change or filing, you should review your records". Upon review I realized that my annual corporate report previously filed on 2/26/19 had been amended 4/19/19 by an individual acting without authorization by me, Blake C Alders acting Pres., VP, Secretary and Treasurer for Restaurant Adventures Inc.

This person, Deandre Porterfield of 1102 deer creek circle Lithonia, Ga 30058 had fraudulently amended my annual report changing the listed registered agent from Susan E Alders to Deandre Porterfield, and in addition added themselves as Vice President. I did not in any way authorize this change to our corporate status and up until this morning had never even heard of this individual, Deandre Porterfield. I immediately contacted the Florida Division of Corporations and was told this individual, Deandre Porterfield, acting in bad faith had amended many other corporate annual reports in the State of Florida. I was advised to file a police report, write and have notarized a Statement of Fact and to forward it to the State of Florida's Division that handles fraud cases [REDACTED]. In addition, I was advised by Officer Ryan Knight of the Maitland Police to file a report with the FTC, which I intend to do. I also intend to press charges.
