July 16, 1999

Florida Department of State Division of Corporations Corporate Records P.O. Box 6327 Tallahassee, FL 32314 Attn: Sean Toner

RE: Document Number S19274

Dear Mr. Toner:

On approximately April 20, 1999 I had released the above referenced Corporate Annual Report to be filed with your division. A couple of weeks after it had been mailed we had realized the wrong check had been sent with the annual report and at that time we called The Florida Department of State and were told to wait it would be returned to us and we would be able to re-file it. On approximately June 10, 1999 we received the annual report back along with the wrong check stating that if we re-filed the annual report with the correct amount within thirty days of the date of your letter we would not have to pay the \$400.00 late filing penalty. On approximately June 11th we returned the annual report along with the corrected check to your department. Then on approximately June 23rd we received our annual report back again stating that the person that signed the annual report is not listed as a current officer/director of the Corporation and please correct this. We immediately corrected the signature on the report and returned it to your office which fell within the 30-day guideline of the original letter dated June 10th. Now I have received another letter from your office dated July 12th that my report still has not been filed, it has been returned to me, without the \$150.00 check. Now there is a balance due of \$400.00.

I would like to respectfully request that the \$400.00 late filing fee penalty be forgiven as we truly did try to file the report timely and had I been notified of both errors on the original letter dated June 10th, we would have immediately corrected the second problem along with the first. And even after receiving notification of the second error it still fell within the thirty days of the date of your original letter of being corrected. If you look at past history, all of our returns have been filed timely and efficiently.

Please notify me of your findings as I would like to get this matter cleared up and get our annual report filed for the year.

Sincerely,

Linda A. Walker Vice President
