Customer Service:

In March of this year I jumped the gun by sending a notification to change the name of the corporation from I.C. Systems Leasing, Inc. to Alliance Computing Technologies, Inc. (unsigned copy enclosed). As one of two board members I thought the Chairman had agreed to the change; he had not. The change of address, however, stands. Accordingly, please reestablish the name to its original status, that of I. C. Systems Leasing Inc. effective immediately. I would like to be notified as soon as that change has been made. Please write or call using the information below.

Thank you for your assistance and cooperation.

Sincerely,

John P. Foster
