To Whom May Concern,

I received the filing packet on the 6th of July and was aghast to see the filing fee had gone up to \$550 from \$150. I called my accountant who told me the fee has not gone up and that I must be being charged interest. We then realized that we must not have received the report in the mail earlier.

Please check our records and you will see that we pay early every year. In fact we make it a point of paying all bills as soon as they arrive in the mail to avoid problems. We have an A1 credit rating for this reason.

As this report only comes once a year I'm afraid I just did not notice that I had not received it, but I do know the mail can be really inconsistent and I can only assume either it did not go out at your end or got lost along the way.

I request, therefore, that you please waive the penalty fee.

Thank-you for your help with this matter.

Sincerely,

Jill Peterson (President).
