Florida Department of State:

Please consider granting late filing for document #S54846 and #P96000040981 due to circumstances beyond the control of United Micro Technology (S54846) and MicroCash (P96000040981). These two offices being that they are located next to each other, as specified by the addresses, share one entrance. In the month of April, one of our employees by the name of Javier Rodriguez, disappeared with a great deal of software and hardware belonging to United Micro Technology and Micro Cash, including correspondence checks and files, including the corporate annual profit reports for 1997, which were supposed to be mailed. This case was reported to the local authorities, the police, on April 22, 1997. I did not realize the missing report until I received a second notice upon my return from an international trip. I immediately telephoned the florida department of state inquiring if they had received the corporate annual reports. They notified me that they were still missing. I explained our situation and was advised to send a letter in writing stating my case.

Sincerely,

  
Evaz Fanaian
