RE: Document #: S56923

To whom it may concern:

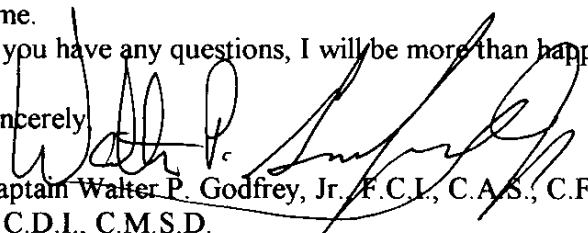

Right after the first of the year we received our notice to file our annual report. I went on line and filed our annual report the day after we received the notice. Last week we received a "Notice of Intent To Dissolve". I called Tallahassee & spoke with a lady in the corporation's section who checked the records & informed me that my annual report filing hadn't gone through when I did it on line earlier this year. I was told by her to write this letter to explain that I had attempted to file the annual report and that for some reason it didn't go through.

I then went back on line to download the ANNUAL REPORT FORM so I could send it in along with this explanation and found the attached notice stating that your system for filing annual reports was having some type of a problem and wasn't working. There seems to have been a problem with this system for some period of time extending all the back to the first part of the year.

I have filled out the proper form and have attached a check for the amount owed for filing our annual report and would request that the penalty be waived since I made a sincere effort to file the annual report when we first received the notice the first of the year. I have also attached a copy of the notice saying the system is experiencing problems. I believe you can check our records and see we have always filed and paid our fees on time.

If you have any questions, I will be more than happy to accommodate you.

Sincerely,

  
Captain Walter P. Godfrey, Jr., F.C.I., C.A.S., C.F.E.I., C.F.I.I.,  
C.C.D.I., C.M.S.D.  
President
