Greetings:

Enclosed are copies of our 2001 Uniform Business Reports mailed September 11, 2001 as well as payments.

Upon checking your web site earlier this week we discovered that you have not processed our paperwork submitted September 11. Upon inquiring as to the state of our documents, it was discovered that some mail "may have been mishandled" after the bombing during the transition in mail handling from air to truck and back to air again.

Upon subsequent contact with your division, we were informed to submit our copies along with payment and this letter explaining our situation.

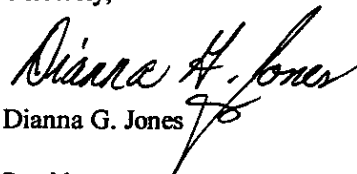

Due to the loss of our documents, we have subsequently "stopped payment" on SciOptics Corporation check number 7087 and Institute for Scientific Innovation & Quality check number 1046. If you should receive those checks, please accept our apologies and the included payment.

If there is a problem with our submitting copies of our original filing, please contact us at the new address noted on our reports included.

We have all suffered a tremendous loss and inconvenience due to the tragic bombing. We hope that everyone can now get on with our lives and get business back to normal.

Thanking you in advance.

Sincerely,

Dianna G. Jones

President
SciOptics Corporation
Institute for Scientific Innovation and Quality

P.S. As I was on travel when I mailed the checks from the Northeast, we have been advised that the last mail would not be unusual. Had I been in Florida when I processed the paperwork and checks they would not have been routed in a way which would have caused this loss. Thank you for your understanding.
