**RE: REINSTATE CORPORATION**

My father and I filed for corporation papers for a family business on August 27, 1991, Apparently it was dissolved by the State the next year for lack of an annual report being filed. This is the first I have heard of this and I have never received a mailing or notice from the State requesting this information.

There was no business conducted in the name of the corporation since January of 1992. However to reinstate the corporation I understand that I must pay for all the years we were not active nor conducting any business in the corporate name.

Attached is my check for \$1,476.25 for re-instatement of OTB Builders, Inc. I was told the reduction of fees (by \$473.75) is due to my not receiving the necessary information from the State.

A separate check for \$8.75 for a Certificate of Status is also included in this letter.

Sincerely,

A handwritten signature in cursive script that reads "Sharon I. Trenary".
