This is to notify your office that the reporting forms that were received last week while I was on vacation, week of July 9, 2001, was the date that we were sent the reports for this term. This was the first notification that we had received this year and due to this, we feel that the appropriate fee to be paid is the original \$150.00. It is unlikely that both would have been overlooked and I even received a third for a different doctor in the practice which was not forwarded before this time.

You should be able to look into your records and see that we have filed well within the time limit in the past. Also, if we had received this notice nearer to the deadline, we could have taken advantage of filing by E-mail. Please fax your answer to us at 941-794-0051. We will file immediately if the original fee will be acceptable due to the fact that we did NOT receive any notice prior to this. I open all the mail and would have tended to it had the notices been mailed and received.

Thank you for your time. I will e-mail this note to you as well.

Sincerely,

Tracy Starcher
Office Manager
