Re: Application for Reinstatement
Physicians Economic Services Inc.
Document #S94852

Dear Sirs/Madames:

This office represents Physicians Economic Services Inc. and its President, David Youner.

About two weeks ago I had occasion to order a certified copy of the corporation's Articles of Incorporation from your offices. When I received it, I was shocked to read on the certification that the corporation had been administratively dissolved in 1994.

I called Mr. Youner and asked him whether he knew that the corporation had been dissolved or whether he ever received any notice of any kind from the State of Florida on the subject. Mr. Youner told me that he did not know that the corporation had been dissolved, and that he never received any notice from Florida informing him that the corporation would be dissolved for failure to file an annual report or other paper or for failing to make any required payment.

Mr. Youner told me that to the contrary, he had received in 1997 a notice from Florida's Department of Revenue concerning the filing of an excise tax return for 1995 (copy enclosed).

Please find enclosed a completed application for reinstatement of Physicians Economic Services Inc., and a check for \$1,358.75 in payment of the fees for reinstatement and for a certificate of status. I respectfully request on behalf of the corporation and Mr. Youner that all or a portion of these fees be refunded. As neither the corporation nor Mr. Youner had received any notice that the corporation was going to be administratively dissolved in 1994, and as Mr. Youner received a communication from Florida's Department of Revenue in 1997 indicating that the corporation was still a viable corporation, it seems unfair and improper to require that a reinstatement fee be required. If there is a form that must be filled out to apply for a refund of the reinstatement fees, please forward it to the undersigned.
