Dear Sirs:

The reason of this letter is to explain that my business has been going down for a while and I am struggling to make it go. I have this corporation open for a few years now and it is not easy to give it up after all the efforts, time and sacrifice that I have invested into it. I still have faith that it should improve, things have gotten even worse lately because of everything that is going on at the present time as we all know, terrorists, war, etc. I provide entertainment, so due to all those conflicts, people are spending a lot less when they have an event to celebrate and have become more reluctant when it comes to spend money. The financial situation is tight and the business has expenses to cover.

In addition to all of this, I have been very sick with a severe stress attack, I was submitted to all kind of tests and that is what the doctor told me that I had. I am not still well, I have been referred by the doctor that has been treating me, to an orthopedic doctor since I had a paralysis from the shoulders up with extremely strong headaches and the present doctor can not do anything further at this point. First I was in the hospital and then went to see an internist, now I have to see a specialist as I mentioned above. I don't have a good health insurance to cover doctor visits because I have always been very healthy and it costs money to have a good one, I only have hospitalization so therefore, I had lots of expenses that I did not expect to have and medical bills keep piling up. It will be a real struggle for me to come up with \$400.00. Because of the above mentioned reasons, I am taking medication every day in order to survive all this pain and my mind is not as alert as it should be, I forget important things that I have to do regarding the business as well as personal, so I completely forgot to file when I should have done it and I apologize for it. If you need any receipts or any kind of document to prove this, I can provide that for you any time you need it. I am trying hard to meet all my responsibilities, it is not easy and I need your understanding.

I thank you in advance for your cooperation in this matter.

Sincerely,

  
Rosie Menendez
