SUBJECT: 88X LEMONIZED  
Ref. Number: T02000000597

We have received your document for 88X LEMONIZED and your check(s) totaling \$96.25. However, the document has not been filed and is being retained in this office for the following:

We have taken the liberty of correcting your document by inserting the owner's name in the appropriate place(s). This correction was made in lieu of returning it to you. Please let us know if this is not acceptable.

The current owner listed is: REX CHEMICAL CORPORATION.

Section 495.071(4), F.S., which became effective January 1, 2007, requires all renewal applications to include a specimen (sample) showing the actual use of the mark on or in connection with the goods or services.

If the mark is a trademark registered under classes 1-34, submit one of the following: a label, tag, decal, container, box, wrapper, etc.

If the mark is a service mark registered under classes 35-45, submit one of the following: a newspaper advertisement, brochure, flyer, business card, etc.

For bulky specimens, we will accept a legible photograph clearly showing the mark as well as the good(s) and/or service(s) the mark is being used in connection with.

**NOTE:** Only one specimen is required. The name and/or design shown on the specimen must be identical to the name and/or design registered without office. We DO NOT accept letterhead or stationery.

Please attach your specimens to a copy of this letter or to your corrected application, if it was returned to you for correction(s), and return it/them to this office for processing.

Pursuant to s. 495.035(5), F.S., this application will be considered abandoned if the applicant fails to reply or resubmit the corrected/amended application within three months from date of this letter.

If you have any questions concerning the filing of your document, please call (850) 245-6051.
