Ref. Number: W02000017216

We have received your document for CLEANING FOR YOUR HEALTH and your check(s) totaling \$87.50. However, the document has not been filed and is being retained in this office for the following:

The specimens provided this office are not acceptable; we need three permanent specimens, which may be the same or different. We do not accept photocopies or camera ready copies. We do not accept specimens which have been altered or defaced in any manner. In order to register your service mark, we need specimens from which we can determine the services being rendered. We will accept brochures, newspaper, or magazine advertisements, or business cards. If business cards are used, we must be able to determine from the business card the services offered. The mere mark, address, city, etc., on the business card, brochure, or advertisement is not acceptable -- we must be able to look at the specimens provided and be able to determine the services being rendered. We need specimens for each class of registration. We DO NOT accept letterhead, stationery, envelopes, invoices or mailing labels.

Please return your document, along with a copy of this letter, within 60 days or your filing will be considered abandoned.

If you have any questions concerning the filing of your document, please call (850) 245-6918.

RE: Response to Letter No. 902A00038684, dated June 12, 2002  
CLEANING FOR YOUR HEALTH, Ref. No. W02000017216

Dear Ms. Causseaux:

With regard to the above-referenced mark, please find enclosed three substitute specimens of use of the mark in commerce. The specimens enclosed are decals that are applied to the uniforms of employees providing the janitorial services that are rendered in connection with the mark. Because the decals also reference "building maintenance," it is possible to determine the services being rendered from examination of each specimen. In addition, in case the decals are not acceptable, I am enclosing three fax cover sheets bearing the mark which were actually used by ProClean Building Maintenance; as with the decals, the reference to "building maintenance" on the face of the cover sheet allows a determination of the services being rendered.

Please contact me with any concerns regarding this application or these substitute specimens and mail me proof of registration of the mark. Thank you for your assistance in this matter.

Sincerely,

  
Nancy S. Freeman
