We have received your document for PRECISION and your check(s) totaling \$175.00. However, the document has not been filed and is being retained in this office for the following:

In your letter of August 31, 2012 you make reference that you are enclosing two renewal applications. However we only received one renewal along with your check for \$175.00 for the two classes.

The specimen you submitted to renew your service mark is not acceptable. We need one permanent specimen. We do not accept camera ready copies or specimens which have been altered or defaced in any manner. To renew your service mark, we need one specimen from which we can determine the service(s) being rendered. We will accept a brochure, newspaper, or magazine advertisement, or a business card; however, we must be able to determine the services you are rendering from your specimen. The specimen must specifically reflect/list the service(s) the mark is being used in connection with. If your mark is registered under more than one class, we need one specimen for each class. We DO NOT accept letterhead, stationery, envelopes, invoices or mailing labels.

Please attach your specimen(s) to a copy of this letter or to your corrected application, if it was returned to you for correction(s), and return it/them to this office for processing.

Pursuant to s. 495.035(5), F.S., this application will be considered abandoned if the applicant fails to reply or resubmit the corrected/amended application within three months from date of this letter.

If you have any questions concerning the filing of your document, please call (850) 245-6051.
