Home Our Farms

IDEAL GROWING CONDITIONS

Our farms are located in Central and South America areas of the world renowned for fertile farm land and ideal growing conditions. Our farms employ skilled farmers to cultivate flowers with the utmost care, from bud to bloom. Using knowledge rooted in decades of experience, proprietary processes, tried-and-true growing techniques and state-of-the-art greenhouses and post-harvest facilities, our farms grow the freshest, healthiest, most beautiful flowers in the industry.

HANDLED WITH CARE AND PRIDE

Having the best flowers requires giving the best care. We work with our expert farms to protect the integrity of each flower through its journey, from harvesting at the perfect cut point to carefully measured post-harvest practices and a diligent maintenance of the cold chain.

REPUTABLE GROWERS

We never buy outside our trusted farms so you can always be confident that the flowers you receive are the very best.

General FAQs

+ What are your hours of operation?

+ Can anyone purchase flowers from Continental Farms?

+ How do I research flowers online?

— Which farms supply your flowers? Where do the flowers come from?

Our farms are independently certified by 3rd party agencies such as Veriflora and The Rainforest Alliance as being sustainable and eco-friendly. Our direct relationships with reputable farms allows us to eliminate waste in the supply chain. More importantly, our partner farms provide services like living wages, childcare, healthcare, and adult education for their workers. Here's a breakdown of origin by Country:
