RE: Florida International Airport, Inc

Gentlemen:

On behalf of the above-referenced corporation, enclosed please find two executed copies of the Application for Registration of a Trademark or Service Mark and our client's check in the amount of \$262.50 representing the filing fee for registration in the three classes described therein.

Pursuant to my telephone conversation with a member of the trademark section staff, we are providing a full specimen and two copies of the first page of the specimen since the briefing report (which is the specimen) may be too large for your filing requirements. If you require three full specimens, please advise and we will forward same to you.

Please file the Application and return the acknowledgment copy in the enclosed Federal Express return package.

If you have any questions or require further information, please contact me rather than returning the application.

Very truly yours,
