Re: Trademark for ClearSpring, Madox and Wide Sprectrum/Triple Action Filtration

Dear Ms. Causseaux:

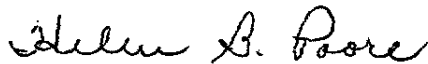

Enclosed you will find the above trademark applications for our company. I have called your office a minimum of three times asking for specific instructions as to how to file these applications. Each time I have received a different set of instructions. I only hope that we now have the ball rolling in the right direction.

Per Gretchen in your office with whom I spoke today, I am returning the above applications together with a check for \$175.00. She confirmed that you have in your pending file our check of \$87.50 from September which should cover the required fees.

Please let me know at your earliest convenience if there are any other requirements or information you need to complete this procedure.

Thank you very much.

Sincerely,

Helen B. Poore, Sec/Treas
