LAZARO A. GUERRA
GUERRA GROUP INTERNATIONAL, INC.
3383 NW 7TH STREET, SUITE 310
MIAMI, FL 33125

SUBJECT: PART III INCOMPLETE (PROVIDING RELIABLE SERVICE EVERY DAY)

Ref. Number: W07000047225

We have received your document for PART III INCOMPLETE (PROVIDING RELIABLE SERVICE EVERY DAY) and your check(s) totaling \$87.50. However, the enclosed document has not been filed and is being returned for the following correction(s):

In Part I(2)(c) you must state how the mark is being used. If the mark is a trademark, you can cite labels, decals, tags, imprints on goods, etc. If the mark is a service mark, you can cite business cards, newspaper advertisements, TV and radio advertisements, etc.

In Part II(1) a & b we need a month, a day, and a year for the date the mark was first used anywhere and for the date it was first used in Florida.

In Part III, you must write the exact wording of the mark. If the mark includes a logo or design, a brief written description must be provided.

Although we received your application and check(s), no specimens were included. Section 495.031(5), F.S., requires every trademark and/or service mark application to be accompanied by three specimens (or examples). Please submit three specimens for each class of registration. (NOTE: Letterhead, stationery, envelopes, invoices and mailing labels are not accepted.)

We need three permanent specimens, **which may be the same or different.** TYPED or HANDWRITTEN MATERIALS ARE NOT ACCEPTABLE. We do not accept specimens which have been ALTERED or DEFACED. ANY SIZE SPECIMENS ARE ACCEPTABLE. If your mark falls under the classification of a trademark (classes 1-34), we need the labels, tags, decals, containers, boxes, wrappers or 3 LEGIBLE photographs of the goods or products with the specimen affixed. IF YOUR MARK FALLS UNDER THE CLASSIFICATION OF A SERVICE MARK (CLASSES 35-45), WE NEED SPECIMENS FROM WHICH WE CAN DETERMINE THE SERVICE(S) BEING RENDERED. We will accept magazine and-or newspaper advertisements, brochures or business cards. If business cards are submitted, we must be able to determine the services being rendered. If your mark falls under the classification of both a trade and service mark, we

need specimens for both. WE WILL NOT ACCEPT LETTERHEAD STATIONERY, ENVELOPES OR INVOICES AS SPECIMENS.

Please attach your specimens to a copy of this letter or to your corrected application, if it was returned to you for correction(s), and return it/them to this office for processing.

Pursuant to s. 495.035(5), F.S., this application will be considered abandoned if the applicant fails to reply or resubmit the corrected/amended application within three months from date of this letter.

If you have any questions concerning the filing of your document, please call (850) 245-6918.

Re: Service Mark Registration
Ref. No.: W07000047225

Dear Mrs. Causseaux:

As requested, we are returning the completed application for the service mark (**Providing Reliable Service Every Day**) registration and included three specimens of our web page showing the service mark.

If you have any further questions, please call me.

Sincerely,
Guerra Group International, Inc.

Lazaro A. Guerra, P.E.
President

Guerra Group International, Inc.

[Home](#)[About GGI](#)[GGI Services](#)[Our Market](#)[News Room](#)[Licenses & Certifications](#)[Contact Us](#)[Resources](#)[Clients](#)*About GGI*

Guerra Group International is committed to providing reliable service by strengthening and supporting each associate's knowledge, skills, and positive attitudes.

Prior to establishing Guerra Group International in May 5, 2006, the principal, Lazaro A. Guerra, was employed for 11 years by another surveying and engineering firm in Miami-Dade County. As a Licensed Professional Engineer and Senior Project Manager, he was involved in the engineering design for parking facilities, roadways, water, sanitary and storm sewer systems for residential communities, multi-story buildings (condominiums), shopping centers and public schools. His responsibilities included project coordination with clients and governmental agencies, supervision of design criteria documents, engineering designs, engineering calculations and opinion of probable construction cost. Other services provided were permitting and construction observation services. He is a member of American Society of Civil Engineers (ASCE), National Society of Professional Engineers (NSPE) and Florida Engineering Society (FES). He also holds a Certified General Contractor License (Inactive Status).
