Our Services

Since The Avail Group entered the real estate market, there's been nothing quite like it. The company was started as a market trendsetter... and we have every intention of remaining one.

Acquisition and Rehabilitation of Distressed Properties

Some See Distressed Properties. We See Potential.

Some times you just have to look a little harder for the good inside. Every community has areas where time and neglect have left individual homes — sometimes entire neighborhoods —with the need for a makeover.

We believe a new appearance can lift an entire community, encouraging them to regain their potential.

We work with municipalities to offer hope and opportunity — restoring homes to their previous luster. The Avail Group has the resources, experience and know-how to transform entire communities ... one home at a time.

Land Acquisition and Development

The Start Of Something Big

Sometimes it's amazing what one can do with raw land and a good plan.

The Avail Group calls on its years of construction, realty and development experience to create some of the area's most distinctive and time-tested communities. Across all price ranges and consumer desires for various amenities, we first do our homework to design and create a neighborhood residents are proud to call home.
