We're part of one team...

Bayshore Home Care was founded in 1986 with the core mission to provide premium home health care services tailored to the individual needs of seniors. We've found that successful senior care begins with an attitude of team work. Bayshore Home Care assembles a customized team for each of our clients and ensures communication regarding your loved one's needs is open and organized.

Bringing it all together...

It can take a village to meet the emotional and physical needs of aging adults, especially when they desire to remain in their own home. We build a village for our clients to ensure they are fully supported. We partner with the senior's family unit and other health care professionals to customize a plan of care that works best for the senior.

- ✓ The family unit
- ✓ The physicians and healthcare professionals
- ✓ Our staff of senior care professionals

Families from St. Petersburg, Clearwater and throughout Tampa have experienced our commitment to providing in-home care without compromise. As a family owned company, we have stuck to our commitment for over 30 years.

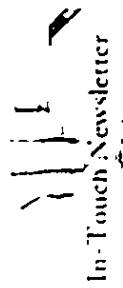

What makes our team successful...

- ✓ Not a franchise
- ✓ Fully licensed, bonded and insured agency- Not a nurse finder service
- ✓ 30 years as a family owned agency
- ✓ Each client receives 24- hour live on-call access to our service coordinators and nurses
- ✓ Each client receives a team of caregivers along with a nurse supervisor
