TERMITE PROTECTION

Termite damage affects more than 2 million American homes annually with over \$5 billion in damage. Termites can attack any property regardless of age, location or how the building was constructed. Sadly, most homeowner's insurance plans do not cover damage inflicted by termites.

Falcon only uses the safest, most effective products available to treat your home. We offer bathing, liquid and fumigation options as our termite treatments.

\$1 MILLION WARRANTY

Both our Subterranean and Drywood termite services come with a \$1 Million Repair and Retreatment Warranty in the event that live termites are found, including Formosan termites.
