Welcome to the Salvador Dali Museum's Education Department!

The Museum's programs are vital links between the permanent and visiting collections and the many communities that we hope to serve.

Dali's life and art afford numerous opportunities for students, teachers, scholars and interested individuals and groups to explore a wide range of topics, engage the mind, and reflect on the human experience.

Browse through the types of programs that the museum offers, and make sure to check out the Events Calendar for upcoming workshops, lectures, films, family events and other special programming.

Middle and grade-school teachers can explore our Teachers Section and request a copy of Get Surreal, our award-winning video introducing Dali and Surrealism.
