Oceana is Bal Harbour's newest spectacular super high end condominium tower. Oceana features flow-through residences with unobstructed views of the Atlantic Ocean to the East, Biscayne Bay and Miami city lights to the West. Oceana is situated on 5.1/2 acres of the most prestigious oceanfront real estate formerly the Bal Harbour club.

Spectacular art by Jeff Koons, manicured grounds, four-to-ceiling windows, deep balconies, tennis courts, top-of-the-line appointments and attention to detail are what define Oceana.

Oceana and Bal Harbour, a combination for those who won't settle for second best.
