SUBJECT: METRO CAULKING & WATERPROOFING, LLC
Ref. Number: W16000079847

We have received your document for METRO CAULKING & WATERPROOFING, LLC and your check(s) totaling \$87.50. However, the document has not been filed and is being retained in this office for the following:

Please note there is a pending registration for the same or a similar mark with the U.S. Patent and Trademark Office. Chapter 495, Florida Statutes, does not allow this office to deny a Florida mark due to a pending federal registration. Therefore, we will register the mark in the state of Florida if you wish to proceed with its registration. However, we strongly suggest that you reconsider your registration. The registration of mark with the Florida Department of State is a ministerial act intended solely for the purpose of providing public notice of the registrant's ownership rights. The right of ownership of any mark is based on the use of a mark in the ordinary course of trade and is not based on a grant by the Florida Department of State. Therefore, it will be the owner's responsibility, not that of the Florida Department of State, to defend it should a case of infringement arise as a result of the mark's Florida registration.

In lieu of returning your document, we have corrected the disclaimer statement on your document. We have inserted the term(s) "CAULKING" "WATERPROOFING" "LLC" in your disclaimer statement. A disclaimed term is still considered part of your mark. You simply do not claim the exclusive right to the use of the disclaimed term(s) apart from your mark.

If you agree with the corrections needed and would like this office to proceed with your filing, please notify this office in writing or by fax at 850-245-6030 to the attention of the undersigned.

We also need a statement that you are aware of pending application with USPTO and for us to go forward with the registration.

Pursuant to s. 495.035(5), F.S., this application will be considered abandoned if the applicant fails to reply or resubmit the corrected/amended application within three months from date of this letter.

Confirmation of Corrected Disclaimer Statement and
Request to Proceed with Filing of FL Trademark Application

Dear Ms. Causseaux:

Please note that we are not concerned with the federal trademark application of this name due to the fact that we are the applicant for same.

Please let us know if you need anything further from our office.
