Re: Florida Trademark Renewal Application -
Mark: "JELLY SALT"
Reg. No: T17000000450
Filed: April 18, 2017
MM Ref.: 8122.41939.MIA.JSM

Dear Ms. Saly:

Enclosed please find a Trademark Renewal Application and specimens to be filed with the Secretary of State to keep the above-referenced trademark registration alive for an additional 5-year period.

Also enclosed is our check in the amount of \$87.50 to cover the appropriate filing fee.

Kindest regards,

Jennie S. Malloy

JELLY SALT

1 GALLON

SEA SALT MIX FOR JELLYFISH AQUARIUMS

DIRECTIONS: Put 1 gallon (3.8L) of Reverse Osmosis or Distilled Water into a mixing container. To prevent clumping, begin stirring the water then slowly add Jelly Salt. Stir thoroughly and frequently until fully dissolved. The salt water is ready to use once all salt is dissolved and the water is clear. Ensure that the water temperature is the same room temperature as the aquarium prior to use and especially while performing water changes.

1 BAG MAKES 1 GALLON (3.8 Liters)

Caution: Jelly Salt gives off heat when it contacts water in wet hands. In case of contact, immediately flush eyes or skin with cool water. Contact with salt may cause skin or eye irritation. Seek medical attention if irritation persists. Not for human consumption.

AQUARIUM USE ONLY
KEEP OUT OF REACH OF CHILDREN
Net wt. 4.5 oz (127.5g)
