# WHAT IF your child could receive a scholarship to attend a Private School?

## What Makes Cornerstone Different?

Cornerstone Christian School is a non-denominational Private Christian School on the Southside of Jacksonville. Cornerstone strives to prepare students academically, socially, and spiritually for their future impact on the community as productive Christian citizens. We are able to achieve this by working with students in a small academic setting, allowing them to achieve their full potential.

Since Cornerstone is a private school, we are able to focus on building the "whole student" in all areas, rather than only focusing on standardized test scores like most public and charter schools. As educators, our goal is to raise the achievement level of all children in Pre-Kindergarten through 12th grade, no matter what background they come from. We refuse to allow any child to fail.

## About Cornerstone

Cornerstone's history began in 2002, when four Jacksonville-area individuals started Cornerstone to help Jacksonville's youth obtain a solid education in a safe, nurturing environment at an affordable price to parents. Just 15 years later, Cornerstone has grown to roughly 400 students enrolled. Cornerstone educates students from Preschool-2 through 12th Grade in a Biblical-based curriculum.

Cornerstone, in partnership with home and the community, seeks to prepare students academically, socially, and spiritually for their future impact on the community as productive citizens.
