SUBJECT: LG-TECH
Ref. Number: W17000092845

We have received your document for LG-TECH and your check(s) totaling \$87.50. However, the enclosed document has not been filed and is being returned for the following correction(s):

You have indicated in number 1(c) of Part I of the application that the owner and applicant of the mark will be a business entity and not an individual. Therefore, you must delete the individual's name listed in number 1(a) of Part I and insert the correct name of the appropriate business entity.

You must be more specific in your description of the goods and/or services the mark is being used in connection with. Phrases such as related services, related goods, or other broad statements are too general and are not acceptable. Please amend #2(a) and/or (b) in Part I of the application accordingly.

The specimens provided this office are not acceptable; we need three permanent specimens, **which may be the same or different**. We do not accept camera ready copies. We do not accept specimens that have been altered or defaced in any manner. We will accept labels, decals or tags that are affixed to the actual goods or products. We will accept three LEGIBLE photographs of the goods or products with the specimens affixed. If this is some kind of publication, newspaper, magazine, or column, we need three publications. We need specimens for each class of registration. We DO NOT accept letterhead, stationery, envelopes, invoices or mailing labels.

Please attach your specimens to a copy of this letter or to your corrected application, if it was returned to you for correction(s), and return it/them to this office for processing.

Pursuant to s. 495.035(5), F.S., this application will be considered abandoned if the applicant fails to reply or resubmit the corrected/amended application within three months from date of this letter.

If you have any questions concerning the filing of your document, please call (850) 245-6051.
