We have received your document for GOPO and your check(s) totaling \$540:00. However, the enclosed document has not been filed and is being returned for the following correction(s):

You failed to make the correction(s) requested in our previous letter.

If you're trying to copyright please send to the United States Patent and Trademark Office.

You must list a more specific service in #2(a) in Part I of the application.

You must be more specific in your description of the goods and/or services the mark is being used in connection with. Phrases such as related services, related goods, or other broad statements are too general and are not acceptable. Please amend #2(a) and/or (b) in Part I of the application accordingly.

If the mark includes a logo or design, a brief written description must be provided. In this description, we do not need an explanation of what the logo or design symbolizes or represents.

We are unable to determine your class(es) at this time. Please amend your application to reflect the specific good(s) and/or service(s) the mark is being used in connection with.

Because the specific good(s) and/or service(s) will determine the applicable class(es), please note additional filing fees may be due this office. If so, you will be advised accordingly.

Pursuant to s. 495.035(5), F.S., this application will be considered abandoned if the applicant fails to reply or resubmit the corrected/amended application within three months from date of this letter.

If you have any questions concerning the filing of your document, please call (850) 245-6051.
