You must list a more specific service in #2(a) in Part I of the application.

In Part I(2)(c) you must state how the mark is being used. If the mark is a trademark, you can cite labels, decals, tags, imprints on goods, etc. If the mark is a service mark, you can cite business cards, newspaper advertisements, TV and radio advertisements, etc.

Your mark contains word(s)/design(s) that must have a disclaimer. All geographical terms, such as cities, states, countries, and designs of same, must be disclaimed. Some commonly used words and corporate suffixes must also be disclaimed. You must disclaim the following term(s) by completing the disclaimer statement found in #2 of Part III of the application: "CIVIL" "ENGINEERS"

The specimens provided this office are not acceptable; we need three permanent specimens, **which may be the same or different**. We do not accept camera ready copies. The mere mark, address, city, etc., on the business card, brochure, or advertisement is not acceptable -- we must be able to look at the specimens provided and be able to determine the services being rendered. We need specimens for each class of registration. We DO NOT accept letterhead, stationery, envelopes, invoices or mailing labels.

Please attach your specimens to a copy of this letter or to your corrected application, if it was returned to you for correction(s), and return it/them to this office for processing.
