Preparing Providers for
the Emerging Managed
Healthcare Environment**

**Venice Community
Medical Group (VCMG)**

We Focus
on managing your
business, so you can
focus on quality
patient care.

With the rising tide of managed care, providers are having to re-think their approach to patient care. Clinical paths, outcome measurements, and utilization review are all areas of expertise that providers should be focusing on, yet increasingly their time is spent controlling costs, forming collaborative arrangements, negotiating contracts, and assuming risk.

Venice Community Medical Group helps providers balance these new challenges with the realities of conducting day-to-day business operations through a wide range of customized options. We have innovative, efficient solutions to help physicians keep up with administrative and management duties, as well as stay ahead of the competition.
