SUBJECT: JOHN BULL
Ref. Number: W96000016019

We have received your document for JOHN BULL and your check(s) totaling \$87.50. However, the enclosed document has not been filed and is being returned for the following correction(s):

Pursuant to section 495.031(1), Florida Statutes, the enclosed application must be completed in order to process your mark registration. Mark registrations submitted on forms other than the current forms provided by the Secretary of State's office will be rejected.

The specimens provided this office are not acceptable; we need three permanent specimens. We do not accept photocopies or camera ready copies. We do not accept specimens which have been altered or defaced in any manner. In order to register your service mark, we need specimens from which we can determine the services being rendered. We will accept brochures, newspaper, or magazine advertisements, or business cards. If business cards are used, we must be able to determine from the business card the services offered. The mere mark, address, city, etc., on the business card, brochure, or advertisement is not acceptable -- we must be able to look at the specimens provided and be able to determine the services being rendered. We need specimens for each class of registration.

Please return your document, along with a copy of this letter, within 60 days or your filing will be considered abandoned.

If you have any questions concerning the filing of your document, please call (904) 487-6918.
