HAVE YOU BEEN ON THE WRONG DIET?

Have You Lost Weight For A While Then Stopped?
Or, Did You Do Everything Right, And Still Did Not Lose Weight?
Good News! It's Not You! You Just Don't Know Your

DIET PRINT®

Like a fingerprint, a **Diet Print®** is unique to you and only you. Can you imagine a diet that only you could lose weight on and no one else?

Your **Diet Print®** is determined by an **ALCAT**, a blood test most recently discussed on Channel 10, News At Five, and soon to be seen on CNN News. The **ALCAT** determines if your immune system is reacting to foods in the same manner it reacts to bacteria and viruses. Often the foods we eat are not broken down correctly by our bodies due to inborn errors in our metabolism or faulty enzyme systems. Foods are then regarded as toxins instead of nutrients. When this occurs, your system slows down, including the metabolism. It's like putting diesel fuel into a regular engine. The body gives us all sorts of symptoms, ranging from joint inflammation, migraines, water retention, nervousness, hyperactivity, fatigue, asthma, high cholesterol and high triglycerides, irritable bowel symptoms, constipation, hormone syndromes, yeast related

IT'S FUN BEING SUCCESSFUL!

"I have lost 61.50 pounds, feel in control, know how to manage myself knowing which foods are right for me."

-Diane Unger, Aventura, FL.

"In six weeks, I lost 10 pounds, cholesterol dropped 40 points and my cardiac risk ratio went from 9 to 5."

-Danny Gordon, Aventura, FL.

"I lost 45 pounds, my cholesterol went from 240-174, changed my way of eating and I am making sensible food choices."

-Donald Rosenthal, Aventura, FL.

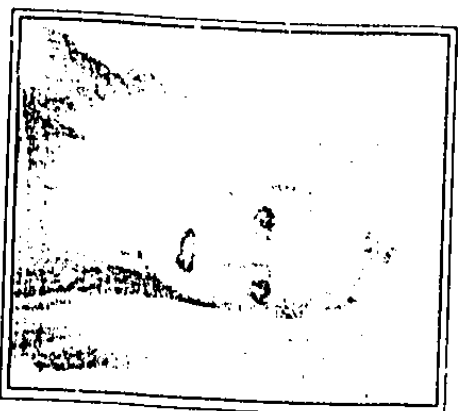

"I lost 25 pounds, my cholesterol went from 201-171 in six weeks. My **DIET PRINT®** included steak and eggs!"

-Allan Miller, Hallandale, FL.

"I have had asthma for 20 years and symptoms

Problems, many symptoms and the one most commonly noticed and obvious is excess weight and feeling bloated.

The **ALCAT** test determines which foods your body is turning into toxins instead of nutrients. Then a diet is formulated called a **DIET PRINT**®. The **DIET PRINT**® consists of only those foods that will not interfere with your immune system. When you follow your personally designed **DIET PRINT**®, wonderful results occur - **Weight loss and a new lease on life.** The following comments are from some of your neighbors who are feeling younger and looking better than they ever imagined! No medicine, no vitamin or herbal formulation, only the body's own magic.

Sari Mellman, of Nutrition and Conditioning Associates, Inc., is responsible for the creation of **DIET PRINT**®. Sari has been interpreting the results of the **ALCAT** test for physicians for **12 YEARS** and is the only nutritionist in your area that specializes in **ALCAT** interpretation and **DIET PRINT**®. Your **DIET PRINT**® is sure to put you successfully into the 21st century. call **Sari Mellman** for an appointment and information today.

have been gone since day one of my detox. I am no longer suffering with arthritis symptoms."

-Claire Anderson, Miami, FL.

"Within 12 days of starting my **DIET PRINT**®, I have no more pain from my ulcerative colitis and gastroenteritis with bleeding. The follow-up colonoscopy showed a complete clearing. As long as I stay on my **DIET PRINT**®, I have no pain or other symptoms."

-Cheryl Yardeny, North Miami Beach, FL.
