SUBJECT: EWS
Ref. Number: W97000020998

We have received your document for EWS and your check(s) totaling \$175.00. However, the enclosed document has not been filed and is being returned for the following correction(s):

You must submit a separate application for each mark you wish to register. Please amend Part III of the enclosed application to reflect only one mark. If you desire to file more than one mark, we are enclosing another application. You may photocopy this form if more than one form is needed.

Class(es) (37 & 39) would appear applicable to your specific mark. Please delete the class(es) you have on line 2 (d) and insert the pertinent class(es) (37 & 39).

Your mark contains word(s)/design(s) that must have a disclaimer. All geographical terms, such as cities, states, countries, and designs of same, must be disclaimed. Some commonly used words and corporate suffixes must also be disclaimed. You must disclaim the following term(s) by completing the disclaimer statement found in #2 of Part III of the application: ENVIRONMENTAL

The specimens provided this office are not acceptable; we need three permanent specimens. We do not accept photocopies or camera ready copies. We do not accept specimens which have been altered or defaced in any manner. In order to register your service mark, we need specimens from which we can determine the services being rendered. We will accept brochures, newspaper, or magazine advertisements, or business cards. If business cards are used, we must be able to determine from the business card the services offered. The mere mark, address, city, etc., on the business card, brochure, or advertisement is not acceptable -- we must be able to look at the specimens provided and be able to determine the services being rendered. We need specimens for each class of registration.

Please return your document, along with a copy of this letter, within 60 days or your filing will be considered abandoned.

If you have any questions concerning the filing of your document, please call
