SUBJECT: FAS
Ref. Number: W98000018778

We have received your document for FAS and your check(s) totaling \$87.50. However, the document has not been filed and is being retained in this office for the following:

The specimens provided this office are not acceptable; we need three permanent specimens. We do not accept photocopies or camera ready copies. We do not accept specimens that have been altered or defaced in any manner. We will accept labels, decals or tags that are affixed to the actual goods or products. We will accept three LEGIBLE photographs of the goods or products with the specimens affixed. If this is some kind of publication, newspaper, magazine, or column, we need three of the actual publications. We need specimens for each class of registration.

Please return your document, along with a copy of this letter, within 60 days or your filing will be considered abandoned.

If you have any questions concerning the filing of your document, please call (850) 487-6918.

**DIAGNOSTIC LIGHTS
with Pupil Gauge**

#10-100001 6/pk

This small, lightweight penlight clips to the pocket. It weighs less than one ounce, yet delivers a bright dependable beam. It is perfect for office exams, clinical rounds and emergencies. To activate the light, press the clip switch. The penlight will last from one to six months, depending upon usage. When the batteries are depleted, the penlight is discarded. The Mercury six-pack is packaged in a self-sealing poly bag for refrigerator storage of unused lights. Refrigeration will keep lights fresh.

FAS® Clip
#69-20745

Reopenable, adjustable clip ideal for cables, hoses, etc. Adhesive backing.

SAFEMARK 75
#10-250-00

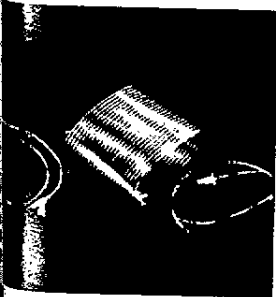

Electromarking is recognized as the best way to permanently mark conductive metal surfaces.* Hardened, thin or delicate and even hard carbide can be marked easily and permanently. Therefore, electro-marking will not peel off, rub off, fall off, or become lost.

Uses:

- Central Services, re-usable items, particularly procedure trays for use on nursing units.
- Surgery Center, Labor and delivery units. For instruments, such as scissors, stethoscopes, etc.
- Security, Biomedical Engineering, Material maintenance.

* Will not work on painted surfaces.

Warmer Accessory

DISPOSABLE DUPACO HEMACOILS

Item Number	Description
#08-32320	Disposable Hemacoil (10 units/box)

These disposable, pre-formed, sterile, tubes are designed for use with DUPACO Hemokinetherm.® Hemacoils are designed for maximum heat transfer when used in the Hemokinetherm. Hemocoils are individually packaged and offered 10 per box. The pre-formed 25-foot long section (approximately 60cc Volume) has been selected as the optimum length for warming refrigerated blood at normal transfusion rates. The input lead of 36" and the output lead of 30" permits considerable latitude in placing the Hemokinetherm in convenient locations near the patient. Hemocoils are supplied with an injection site and uer taper connections at each end.
