Please be aware that we never received the initial notice of the filing fee deadline and amount due. We submitted our report on 17 July 2003, along with the \$150.00 fee. We also submitted a letter at that time stating that we did not receive the initial notice as we were instructed to do in the instructions that came with the second notice. We understood that with this letter, the late filing fees would be waived.

Unfortunately, we have received another notice from you that our report will not be filed until the additional \$400.00 late filing fee is paid. A copy of the original letter sent by LABB and the letter just received is included with this letter.

In a conversation with your office, we have been told to submit this letter along with the attachments and the late fee will be waived. We are requesting again that you waive the late filing fee and file our report since we never received the initial notice.

Thank you for your attention to this request. If you have any questions, please call me at 850/212-0516.

Regards,

Roger Rushing
