I called your office this A.M. asking for the status of renewal of my Corporation papers on two Corporations that I am sole owner and stock holder.

I was told that Computerized Motion Control Systems, Inc and Lyons Enterprises of St.Petersburg, Inc., were both revoked due to non completion of the annual forms and non-payment of the annual fee of \$150.00 on each one.

As a result of my phone call, I was informed as to how I could and should proceed. Download the "Corporation Reinstatement" form from the web site, completing one for each of the Corporations and include a check in the amount of \$150.00 for each, with the request for waiver of the penalty

fee inasmuch as we have no record of receiving the forms.

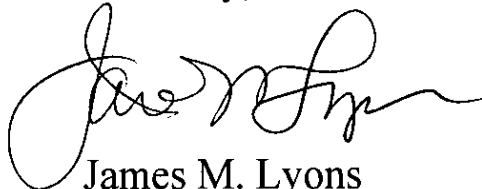

I was informed that it, or they were returned by the post office as undelivered.

There are no changes in the status of the two Corporations as regards to officers. I used one of the prior year forms to get the necessary information that is submitted on the current request.

Lyons Enterprises of St. Petersburg, Inc., also had a registration to do business under an approved Fictitious Name of "MED-TECH SERVICES", registered with the state on Jan. 29, 1998. I don't know if the revocation of the Corporation name also caused the fictitious name to be revoked at the same time. I would like to be able to get that reinstated also. Please let me know if there are additional papers that need to be completed and if any additional fees are involved and what amount. The registration of the fictitious name is G98029900051

Your patience is greatly appreciated and hopefully you will take into consideration my request for waiver of the additional fees.

Sincerely,

A handwritten signature in black ink, appearing to read "James M. Lyons", with a stylized, flowing script.
