To Whom It May Concern:

Enclosed please find an application for reinstatement of Spectralab's corporate status.

We changed our address with your office in March of last year. It appears that a data entry error was made in your office on our mailing address. Because of this error, we never received any notification or follow-up reminders of the state requirement.

Upon advise of a gentleman named Tyrone in your office, I am sending this letter of explanation along with our remittance of \$150, which he said would be all that was required as the error was made on your end. I am also enclosing a copy of a fax from your office showing that our mailing address is incorrect in your records.

We have since moved to the larger building next door to our old facility. Our new address is reflected above. This should be used as the address for both of the listed corporate officers, and as the mailing address for any corporate correspondence.

Thank you for your attention and understanding.

Best Regards,

Jack Brand
Director
