To Whom It May Concern:

I'm probably cooking my goose with what I'm about to state but it is what took place regarding the Annual Report for the State of Florida.

My former attorney, Donald Y. Bennett, had requested that I forward all documentation regarding the corporation to his attention for review prior to processing any thing. On May 5th I mailed him my copy of the annual report along with a check for \$150.00 for him to handle. I have to assume that this document, along with numerous others things, was not processed by him because of his own legal difficulties. Within the last 45 days I found out that his license to practice law was either revoked or had been suspended for the past year or maybe even longer. I and others have put in numerous calls and sent certified letters to him trying to get files and other information from him. To date, I have yet to receive any information or even a returned phone call from him.

I am enclosing the completed form for reinstatement along with a check for \$150.00. My request is that you way the additional fees due to the circumstances that I have described.

Thank you in advance for your cooperation in this matter.

Sincerely,

Gregory L. Hackman
President
