RE: 1998 Annual Report

Dear Sirs:

FER, Inc. filed its' 1998 Annual Report in April 1998. We were notified by our bank that the check included with our annual report did not clear due to insufficient funds. Upon receipt of that notice from our bank, I immediately called the Division of Corporations office to discuss the situation. A young lady in the office told me that the check would be sent through again and as long as sufficient funds were available it would not be a problem. I told her that sufficient funds were available but offered to send a new check, and she said not to do that. I assumed the matter was closed until we received a second notice for filing.

FER, Inc. is requesting that the \$550.00 fee for late filing be waived. I am concerned that our original annual report and \$150.00 check may still be in your office. If the original \$150.00 check is in your possession please destroy it our return it to us. Please let me know if the \$550.00 fee will not be waived.

Respectfully Submitted,

A handwritten signature in dark ink, appearing to read "R. S. Boik", is written above the printed name.
