To whom it may concern,

We just received your "Notice of Administrative Dissolution or Revocation" on 10/8/2003 and according to our records we have not received prior notice from your office for the yearly registration for Beyond Computers And More, Inc.

Please note that this is the fourth consecutive year in which we have not received our notice of registration, but, have received this "Notice of Administrative Dissolution or Revocation". In speaking with different representative in your office, each year we did not receive our registration notice, we found that our address was incorrect-pointing to a previous business address.

In 2000 our address was not change after speaking with a representative at your office. Letter sent to your office with registration paperwork. In 2001 it was change, but we moved locations during this time frame. Letter sent to your office with registration paperwork. In 2002 registration was not received again possibly due to USPS forwarding. Contacted representative in your office and had them correct mailing address once again. Letter sent to your office with registration paperwork.

Yesterday we received this notice attached. Notice was filled out promptly and returned with this letter of non-receipt of registration and formal grievance.

If there is any way to resolve this problem so there will be no further delay in the future to obtain and register my company it would be greatly appreciated. As you can tell by the quickness in this response we file all paperwork in a timely manner and like to keep things in order and well maintained.

If there are any problems, questions or concerns please don't hesitate to call my directly at (727) 463-3068.

Sincerely,

Jeffrey W. Pearson
