Atm: Mr. Sean Toner

Dear Mr. Toner,

I recently spoke to Carolyn and she suggested that I write directly to you and explain the situation. I called about the renewals for **Century Pool Service and Hypoluxo Pool Store** on April 20, 1999 because I was concerned when the checks I had written for the annual fees had not come back with the April bank statements. I was told when I called that there was a back-up and that the paperwork had arrived but just hadn't been processed. I was concerned again because the checks have still not been processed and this time I spoke to Carolyn and she asked that I fill out the 2nd form and mail directly to you for processing. She said that I could still pay the original fee because of the circumstances. If you should have any questions, please call me at 561-588-6334. If the first checks should ever arrive, I am sure they will be returned or at least a refund check will be sent.

Thank you for your time.

Sincerely,

Kerry Thornton
