To whom it may concern,

In 2002, I moved from Florida to Washington State. My General Contracting company had one open permit in Miami Beach, Fla. The homeowner has acted as project manager in my absence. We are now ready for the final inspection, only to find that my workers comp. exemption has recently expired. This exemption was denied due to my corporation being non-active.

~~I was unaware that my corporation was not active because I received no~~ 2003UBR  
paperwork or notification regarding this issue.

I called the Florida Dept. of State, Div. Of Corporations, & was told that with this letter, a corporation reinstatement form & \$300.00 I can reinstate my Corporation. Once I do this, obtain my exemption & final inspection, I will dissolve this Corporation.
