To Whom It May Concern:

I recently received Second Notice UBR's for my corporations. I have already filled out and sent the original requests for this information. Copies of which are enclosed.

I called the office to find out why I got the Second Notice and I was told that sometimes it takes awhile for the forms to get registered in the system. I informed her that the check had not been cashed either and she said that was not unnatural either. I find this hard to believe since the original forms and check were sent back in April of this year. Almost three months ago.

Please advise me as to what I should do about this matter.

Sincerely,

Gilbert Barber
President
