Dear Mr. Toner,

Thank you very much for your attention, assistance and courtesy in this matter. Believe me, for a small business, it is very much appreciated.

Please be advised that this situation came to be because of the fact that I did not receive any correspondence whatsoever during 1995 in relation to our corporation. If I had any idea that paperwork was due to the state, we would have filed it when necessary. My only idea that there was a problem came when I went to refile the application for fictitious name, two years later.

I have enclosed all paperwork that we have, as well as a check in the amount you indicated to me on the phone today. I have also resigned that reinstatement application in blue ink, as the this is a copy. If you need any further information, please call me at the number below. Also, please note that our address is S.E., not N.E. as we had discussed on the phone.

Thank you again for your courtesy and assistance.

Sincerely,

Martin Alexander
