We are forwarding your request to the appropriate department to update our records.

However, the Division of Corporations does not issue licenses. I would recommend that you contact your occupational license office within your county and the Florida Department of Business and Professional Regulation to see if anything should be changed with their offices as well. The phone number for the Department of Business and Professional Regulation is (850) 487-1395. The web site address for the Department of Business and Professional Regulation is: <http://www.state.fl.us/dbpr>.

Hello,  
Our business license has the wrong address on it. What do I have to do to get that to reflect accurate address? Hopefully, it is a simple solution.  
Thank you
