Dear Ms. Whitfield:

The following information is based on our phone conversation which was regarding the enclosed copy of your letter of October 11, 1995. Please find attached articles of incorporation with the revised name of "Microtech Consulting Group, Inc." The fees were previously paid with the original submission and remain with the state. The original articles were returned because of unavailable name even though we had obtained available status by telephone call within two weeks of the submission. It happened that by sheer coincidence a similar name was used in that short time span.

I appreciate your assistance when discussing this with me. Any further information you may need will be provided promptly.

Sincerely,

T. G. Blackwell
